

The City of Delavan is working with the Illinois Environmental Protection Agency (IEPA) who is providing a zero (0%) interest loan from the Agency's Public Water Supply Loan Program (PWSLP) to replace up to 50 residential lead water service lines. The PWSLP loan is funded by both state and federal sources and will be paid back over a 30 year period. For more information, contact 309-244-7146.
